In re Application of Lee, et al. Application No. 09/687,048 Filed: October 13, 2000 Attorney Dkt. No. 45475-00026 For: LEADFRAME AND SEMICONDUCTOR PACKAGE WITH IMPROVED SOLDER JOINT STRENGTH

DECISION ACCORDING STATUS UNDER 37 CFR 1.47(a)

This is in response to the petition under  $37\ \text{CFR}\ 1.47(a)$ , filed March 23, 2001.

The above-identified application was filed October 13, 2000 without an executed oath or declaration. The application names Tae Heon Lee, Young Suk Chung, and Mu Hwan Seo as joint inventors.

Accordingly, on November 24, 2000, a Notice to File Missing Parts of Application ("Notice") was mailed, requiring an executed oath or declaration, and a surcharge for its late filing.

In response, the instant petition was filed.

The petition is **GRANTED**.

Petitioner has shown that inventor Mu Hwan Seo has refused to join in the filing of the above-identified application after having been presented with the application papers. Specifically, the statement of attorney Paul W. Davis establishes that the inventor was mailed the application papers, including the specification, claims and drawings, but failed to respond to the request that he sign the declaration. The copy of the letter from the non-signing inventor's attorney acknowledge's the non-signing inventor's receipt of the application papers and said inventor's refusal to execute the declaration.

The above-identified application and accompanying papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(a), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

As the response to the Notice was submitted two months after

Application No. 09/687,048

the period for reply given in the Notice, a two month extension of time has been charged to deposit account no. 10-0447, as per the authorization contained in the instant petition.

After this decision is mailed, the above-identified application will be returned to the Office of Initial Patent Examination for issuance of a corrected filing receipt.

Telephone inquiries regarding this decision should be directed to Petitions Attorney Alesia M. Brown at (703) 305-0310.
